|-------------------------------|--------------------|---------------------|
| → Metal Kasa üzerine ve içine | 4872-serisi | 4872-020 |

Rulo halindeki klipslerin mesafe aralıkları ölçüye göre değişiklik gösterir.

Tekli Klips rulo klipslerin standart aralıklı mesafelerinin yerine istenilen aralıklarla uygulama yapmanızı sağlar.

The spacing of the clips in roll form varies depending on the measurement.

Single clips allow you to apply clips at desired intervals instead of standard spacing of roll clips.
